

### **Personal Guaranty**

For valuable consideration, the undersigned (hereinafter the "Guarantors"), jointly and severally, unconditionally guarantee and promise to pay to BLUE SKY BIO-FUELS (hereafter "Seller"), or order, on demand, in lawful money of the United States, any and all indebtedness of

---

(hereinafter "Borrower").

The word indebtedness" is used herein in its most comprehensive sense and includes any and all attorney's fees, costs advanced, obligations, and liabilities, including but not limited to interest, costs incurred and attorney's fees, of Borrower incurred or created, whether voluntarily or involuntarily and however arising, whether due to not due, absolute or contingent, liquidated, determined or undetermined, and whether Borrower may be liable individually or jointly with others, or whether recovery upon such indebtedness maybe or hereafter become barred by any indebtedness may be or hereafter become otherwise unenforceable.

Guarantors acknowledge that each has received a completed and signed copy of the Security Agreement and Terms and Conditions contract dates \_\_\_\_\_ for Borrower's credit purchases from Seller.

The liability of Guarantors is a continuing guaranty related to any indebtedness, unclosing that arising under successive transactions which shall either continue that indebtedness or from time to time renew it after it has been satisfied. This guaranty shall not apply to any indebtedness created.
